Form 1300 – Property/Land Owner Consent Form

Directions: It is the North Slope Borough’s (NSB’s) procedure that before issuing a NSB Land Use Permit, the NSB will require the Applicant to provide a signed Form 1300 Property/Land Owner consent form with its application for all owners or co-owners. Form 1300 approval ensures that the Property/Land Owner is aware of the Applicant’s permit application, has reviewed the application, and agrees with the content. Each owner/co-owner must fill out a separate Form 1300 document, and all Form 1300 documents must be attached to the NSB Land Use Permit Application.
