

NSB DWM Website Map Outline

Wildlife Management <http://www.north-slope.org/departments/wildlife-management>

- NSB Fish & Game Management Committee
 - NSB FGMC Members
 - Committee Actions
- Co-Management Organizations
 - Alaska Beluga Whale Committee
 - Ice Seal Committee
 - What are Ice Seals?
 - ISC Research Projects
 - ADFG Ice Seal Research
 - Kawerak Region Research
 - Harvest Documentation for Northwest Arctic Borough
 - NOAA Ice Seals in Bering and Chukchi Seas
 - Peard Bay Ringed Seal Project 2005-06
 - Kotzebue Sound Ice Seal Research
 - For Students
- Studies & Research Projects
 - Arctic Fox
 - Arctic Fox Movement and Diet Research
 - Diseases in Arctic Fox
 - Beluga Whale
 - Beluga Research Eastern Chukchi Sea Stock
 - Beluga Age, Growth and Reproduction
 - Beluga Movements and Satellite Tracking
 - Beluga Genetic Studies
 - Bowhead Whale
 - Bowhead Whale Population Studies
 - Bowhead Whale Ice-Based Census
 - Passive Acoustic Monitoring Study
 - Aerial Survey and Photo Identification
 - Age Estimation
 - Stock Structure and Genetics
 - Movements and Satellite Tracking
 - Satellite Tracking Maps of BCB Bowhead Whales
 - Bowhead Observations in Chukotka
 - Bowhead Whale Anatomy and Physiology Studies
 - Morphometrics
 - Energetics and Temperature Regulation
 - Bowhead Whale Sensory Research
 - Bowhead Reproduction Studies
 - Monitoring Stress in Bowhead Whales
 - Tooth and Baleen Development
 - Bowhead Whale Ecological Studies

- Bowhead Feeding Studies
 - Bowhead Feeding in the Beaufort Sea and St. Lawrence Island
 - BOWFEST
 - Environmental Variability, Bowhead Whale Distributions and Inupiat Subsistence Whaling
 - Bowhead Scarring Study
 - Bowhead Whale Subsistence Harvest Research
 - Taking and Use of Marine Mammals by Alaskan Natives
 - Traditional Ecological Knowledge of Bowhead Whales
 - TEK and Bowhead Whale Migration
 - TEK and Sense of Hearing and Smelling in Bowhead Whales
 - TEK and Bowhead Life History and Longevity
- Caribou
 - Monitoring the Teshekpuk Caribou Herd
 - Teshekpuk Caribou Satellite Collar Maps
 - Teshekpuk Caribou Herd Health Assessment
- Fish
 - Important Subsistence Fish Species
 - Fish Surveys
 - Common Fish on the North Slope
- Health Assessment of Subsistence User Resources
 - Bowhead Whale Health Studies
 - Bowhead Whale Contaminant and Nutrient Study
 - Fish Health Studies
 - Seal and Walrus Health Studies
 - Migratory Bird Health Assessments
 - Contaminants and Nutrition Studies
 - Traditional Foods
 - Stranded Marine Mammal Surveys
 - Other Health Studies
 - Radionuclide Studies and Information
 - Current Health Findings
- Ice Seals
 - Bearded Seal Research
 - Ice Seal Research
 - Ringed Seal Research Results 2011 Tagging
 - Ringed Seal Research Results 2012 Tagging
 - Ringed Seal Research Results 2013 Tagging
 - Ringed Seal Research Results 2014 Tagging
 - Ringed Seal Research Results 2015 Tagging
 - Ringed Seal Research Results 2016 Tagging
 - Ringed Seal Research Results 2017 Tagging
 - Ringed Seal Research Results 2018 Tagging
 - Ringed Seal Research Results 2019 Tagging
 - Ringed Seal and Walrus UME
- Migratory Birds
 - Eiders

- Common and King Eiders
 - Steller's and Spectacled Eiders
 - Lemming Studies
 - Geese
 - Other Migratory Birds
 - More Birds of the North Slope
 - Monitoring Climate Change with Black Guillemots
 - Common Birds on the North Slope
 - Waterfowl
 - Seabirds
 - Shorebirds
 - Songbirds
 - Upland Birds and Raptors
- Oceanography and Sea Ice
 - Oceanography and Sea Ice Research
 - SHELFZ
 - Satellite-Tracked Surface Drifters
- Polar Bears
 - Polar Bear Research
 - Polar Bear Hair Snare Project (2010-2015)
 - Polar Bear Non-Invasive Genetic Sampling
 - Polar Bear e-DNA Footprint Sampling
 - Polar Bear Health
 - Polar Bear Patrol and Polar Bear Safety
 - Polar Bear Outreach to Students
- Subsistence Harvest Documentation
- Walrus
 - Walrus Haulout Events on the North Slope
- NSB/Shell Baseline Studies Program
 - NSB/Shell Baseline Studies Research Projects
 - Aerial Surveys of Caribou and Arctic Fox
- Wildlife Emergency Response
- Other Topics of Interest
 - Arctic Science Resources
 - Climate Change Studies
 - Common Plants of the North Slope
 - List of Plants and Others on the North Slope
 - Plant List A's
 - Plant List B-C
 - Plant List D-J
 - Plant List K-M
 - Plant List N-P
 - Plant List Q-S
 - Plant List T-Z
 - Unknown Plants
 - List of Plants by Photograph
 - List of plants by Scientific name

- Plant Identification Resources
 - Common Invertebrates on the North Slope
 - Marine Invertebrates
 - Freshwater Invertebrates
 - Land Invertebrates
 - Common Mammals of the north Slope
 - The AEWG and the IWC
 - The AEWG
 - The IWC
 - NSB-DWM Student Programs
 - NSB Mystic Exchanges
 - Sitka Whalefest
 - Wainwright Students and Seals
 - Wildlife Internships
 - Oil and Gas Activity
 - History of Oil Development in the Alaskan Arctic
 - Federal Oil and Gas Activities
 - Hilcorp Alaska Ecological Monitoring Projects
 - State of Alaska Oil and Gas Activities
 - Oil Spill Response, Shipping Activities, and More
- For Subsistence Hunters
- For Teachers and Students
- DWM Newsletters
- DWM Staff
- Wildlife Observation Form
