

Reminder for Polar Bear Harvest

The NSB Dept. of Wildlife Management has been co-managing the **Southern Beaufort Sea Stock** of polar bears (Wainwright, Barrow, Nuiqsut & Kaktovik) under the Inuvialuit-Inupiat (I-I) Polar Bear Agreement, a Native-to-Native voluntary agreement that has been in place since 1988.

The I-I Commissioners have agreed to not take females with cubs, but only harvest males or lone female bears.

This is a reminder to please not harvest female polar bears with cubs.

Please do not harvest female polar bears with cubs.
