

# COVID-19 UPDATE

## Outside Workers

**State of Alaska Mandate #18** requires that any company bringing Critical Infrastructure Workers into Wainwright must have a Community Workforce Protective Plan that outlines how the company will avoid the spread of COVID-19 and not endanger lives in the communities or endanger the ability of critical infrastructure to function as listed below. Effective May 12, 2020 at 8:00 AM, and remains in effect until amended, superseded, or rescinded.

- Workers arriving from out of state must quarantine for 14 days
- Self-monitor, record and report personal health conditions for 14 days upon arriving at jobsite.
- Take a COVID-19 Infection Test and receive a negative test result prior to jobsite travel.
- Restrict movement in NSB communities to designated housing and assigned work sites
- Follow CDC Recommendations to:
  - Practice social distancing
  - Wear cloth face coverings
  - Wash hands frequently
  - Observe proper respiratory etiquette (covering coughs, sneezing)
  - Disinfect surroundings regularly
- Work Safe Plans must be submitted to the State of Alaska and will be adjusted to maintain compliance with State and Local government requirements.

**North Slope Borough Intra-Slope Travel Mitigation Plan** must also be followed:

- Arriving workers will quarantine for 14 days or receive a negative COVID-19 test.
- Measure and record temperature twice daily and monitor for signs/symptoms of COVID-19
- Reasonable attempts will be made to limit contact with the public
- Maintain social distancing
- Disinfect surroundings regularly
- Practice good hand hygiene
- Always wear face coverings when outside itinerant quarters, including at work

**City of Wainwright** will retain copies of companies' Community Workforce Protection Plans in the City Office.
