PUBLIC NOTICE
UPDATED TRAVEL MANDATES

PER THE TRILATERAL MEETING ON NOVEMBER 23/24, 2020
UPDATED 4/14/2021

The AKP City Council met to update and enforce the travel mandates. The updated Mandates are as follows:

PRIOR TO RETURNING TO AKP:
1.) ALL NON-VACCINATED residents/guests are required to test within 72 hours prior to travelling to Anaktuvuk Pass and to quarantine at home until they receive negative results. (This means only 1 test is required for non-vaccinated residents, including minors). If you have your vaccination card, please show a copy to Jerry Sikvayugak, the City’s Acting Code Enforcer.
2.) All residents/guests must do a State of Alaska travel declaration and wear a mask for two weeks in public places and follow all self-distancing, sanitization rules.

UPON ARRIVAL:
1.) ALL NON-VACCINATED residents/guests who do not test prior to flying to Anaktuvuk Pass are required to test at the Robert T. Ahgook Memorial Clinic ASAP and MUST quarantine until they receive their negative test results.
2.) Mandatory Quarantine will be imposed for ALL travelers into Anaktuvuk Pass until the person can provide negative test results or vaccination records.
   a. ALL residents/guests must use a mask for two weeks after arrival into Anaktuvuk Pass, regardless of vaccination, in ALL public places along with hand sanitization and social distancing.
   b. ALL household members (Including children and babies) are required to quarantine until test results are negative if you did not take a COVID test in Fairbanks. Quarantine shelter is at the church until you test or vaccinate.
   c. Negative test results must also be provided to the school for students to return.
3.) Critical infrastructure workers (CI) are encouraged to socially distance themselves from residents (when possible) and follow all COVID safety protocols given by the state.
4.) The City’s Code Enforcer will ensure all residents and guests are following all mandates.

Charles Hugo
Mayor
