EFFECTIVE IMMEDIATELY

TRAVEL MANDATES FOR ATQASUK BY NATIVE VILLAGE OF ATQASUK

Due to the rise in numbers of Covid-19 being reported in Utqiagvik, we have placed an immediate mandate for all resident and non-resident individuals who are traveling.

Residents and non-residents must do a covid-19 test before and upon arriving in our community. You must quarantine with your household until your results are back from Atqasuk Clinic. We encourage everyone to travel only when necessary. Please plan ahead of time before you or your household travels. If you have any symptoms such as coughing, high temperature of 100.4, lost of taste and smell, please self quarantine immediately and contact the clinic for further instructions.

We want to keep our elders, children and residents safe. If you have any questions please feel free to call the Native Village Office. Further mandates and guidelines will be added in the future. Thank you and stay safe.
