# POLAR BEARS NEAR TOWN

There have been sightings of polar bears within the vicinity of our NSB communities.

**Please take safety precautions during all outdoor activities**

- Polar Bears are very **dangerous and unpredictable**
- They can move **very fast**
- **Never approach a polar bear**

If a bear is sighted, please report it to NSB Police Department.

They will notify Wildlife Management to respond.

**Be prepared to provide specific information regarding the number of polar bears sighted, the location, and the direction the bear is headed.**

When bears are being deterred, it is important to keep traffic moving for safety reasons. We ask for your cooperation.
