

# City of Wainwright

## COVID-19 Update

VACCINATION RATE:  
**35.9%** OF ELIGIBLE  
RECIPIENTS

### **November 17, 2021: TOTAL COVID Active Cases: (6)**

The City of Wainwright was notified this morning, of (1) new case of COVID-19. All close contacts should test and isolate. School aged children are among close contacts who have tested positive.

**NSB PHN Message: Please consider to avoid mass gathering, and consider make announcements to the community to avoid gatherings, with holidays coming**

### **Next Scheduled Vaccine Visit: November 29-30**

Let's keep encouraging eligible family and friends to get vaccinated  
**Thanksgiving and Christmas Holidays: AVOID 10 day Quarantine during the Holidays**

- **Take precautions 14 days before holidays, Nov. 11 & Dec. 11, 2021**
- Avoid crowds, avoid recent travelers, know status of your children/babysitters, wear masks and keep social distance with good hand hygiene.
- Start it early so you won't be stuck in isolation during holidays
- If any family members feeling sick they should separate from the rest of the family asap and get tested.
- If you are inviting someone out of town, know their status.
- If you came back to town get tested - wait for PCR test result

**Note from our Health Clinic:** Households with positive members in the house, ALL household members MUST isolate (regardless of Vaccine status)

**To check your COVID-19 test results: call the HOTLINE: 1-833-852-4622 or (907) 852-9224**

**The following symptoms may appear 2-14 days after exposure:**

- Cough  Fatigue  Shortness of breath  Fever  New-onset diarrhea  Loss of smell or taste

If you are experiencing symptoms, please contact the Clinic to arrange testing before your arrival. Testing is available regardless of symptoms or travel history.

**Please encourage and support those in quarantine and Isolation, while taking extra precautions including preventative measures.**

**First Responders please take full COVID-19 precautions while responding to calls**

**If you have any questions about the City's response to COVID-19, please contact Office Manager at (907)763-2815 or (907)925-2007.**
