File this POFD with the municipal clerk where you hold or seek office.

THIS IS A PUBLIC DOCUMENT
Please read this document carefully for important information about starting your campaign.

This information is presented only as an overview of your disclosure requirements. It is your responsibility to familiarize yourself and your campaign workers with the statutes and regulations to ensure you that you are in compliance with the law. Please visit the APOC homepage at www.doa.alaska.gov/apoc for further information, training opportunities, and to remain updated about your requirements and responsibilities as a candidate.

Unless they meet specific criteria found in AS 15.13.040(m)(1), candidates must file all forms and reports electronically through myAlaska. Many Alaskans already have a myAlaska account to apply for their Permanent Fund Dividend. You may use this same account for APOC purposes. Candidates have the option to allow others to view their filings, but this access is specific to APOC services only. If you are a candidate for municipal office for a municipality with a population of less than 15,000 you may file your reports/statements on paper forms provided by APOC.

FORMS TO GET STARTED

**Letter of Intent:** Must be filed with the APOC before any candidate engages in campaign activity. A Letter of Intent allows the candidate to begin accepting and spending contributions and may be filed 18 months prior to the date of the election. However, if a candidate files their Declaration of Candidacy or Nominating Petition first, they do not need to file a Letter of Intent.

**Declaration of Candidacy or Nominating Petition:** Municipal candidates file their Declaration or Petition with their specific Municipal Clerk’s Office. The Declaration of Candidacy or Nominating Petition is what gets a municipal candidate’s name on the ballot. Check with your Municipal Clerk’s Office to find out when your filing period opens and closes.

**Public Official Financial Disclosure Statement:** Must be filed with the Declaration of Candidacy or Nominating Petition at the Municipal Clerk’s Office. All candidates must either have a current 2023 POFD Statement (covering calendar year 2022) on file with the Municipal Clerk’s Office; or file a 2023 Candidate POFD Statement (covering calendar year 2022) at the time they declare candidacy with the Municipal Clerk’s Office for the 2023 Statewide Municipal Election. Penalties for late-filed and incomplete POFD statements are assessed at $10 per day until compliance is met.

**Candidate Registration:** Must be filed within 7 days after filing the Declaration of Candidacy with the Municipal Clerk’s Office. The registration provides your campaign contact information, designates your campaign committee, and your campaign depository. Candidates may amend registrations as needed. Until a candidate files their registration, designating a Treasurer or Deputy Treasurers, only the candidate may accept/expend campaign funds.
**Municipal Exemption Statement:** May be filed by municipal candidates instead of the Candidate Registration form who do not intend on exceeding $5,000 in campaign activity, including any personal money that they may use. As long as they remain under the $5,000 threshold, exempt candidates are not required to file regular campaign disclosure reports. However, please note that exempt candidates are still subject to the campaign disclosure laws that apply to all candidates; including, but not limited to, applicable contribution limits, maintenance of contribution and expenditure records, and the requirement that ads, yard signs, and other campaign materials include “paid for by” identifiers as required under AS 15.13.090 and 2 AAC 50.306 (see pg. 3).

**Candidate Reimbursement Notification:** If candidates loan personal funds to their campaign with the intent to repay themselves after the election, they MUST file a Candidate Reimbursement Form within 5 days of depositing personal funds into their campaign account. The maximum limit a municipal candidate can loan and recover is $5,000. HOWEVER, if the candidate is able to reimburse their personal contributions from the campaign account within 72 hours they may do so, and they do NOT need to file the Reimbursement Form.

**CAMPAIGN DISCLOSURE REPORTS**

Candidates, who are not exempt, are required to disclose financial information about their campaigns. The purpose of a campaign disclosure report is to provide a snapshot of a candidate’s activity during a specific reporting period. The reporting period is the time period covered by a campaign disclosure report. A due date is the date when a report is due, and comes three days after the end of a reporting period. The three days allows a treasurer time to complete the report.

The number of reports filed by municipal candidates will vary depending on when the campaign begins. If a candidate filed a Letter of Intent on or before February 1st, they will begin with a Year Start Report, due February 15th. Otherwise the cycle will begin with a 30 Day Report (due 30 days before the election), 7 Day Report (due 7 days before the election) and a 105 Day Report (which should be a final report and is due 105 days after the election). In addition, during the 9 days before an election, contributions in excess of $250 from a single source must be reported by date, amount, and contributor within 24 hours of receipt. This includes all monetary, non-monetary, and candidate contributions, as well as contributions of more than $250, in the aggregate, from a single contributor during the 9-day period. Candidates may need to report each day during that period, or not at all.

**OTHER START UP CONSIDERATIONS**

Only the candidate, a registered treasurer or a registered deputy treasurer may spend money and accept contributions on behalf of the campaign. Any action by a treasurer or registered deputy treasurer is considered an action of the candidate. The campaign must keep all records that substantiate financial activity for a period of 6 years after the date of the election.

If a registered treasurer or deputy treasurer makes a purchase on behalf of the campaign using personal funds, it is a non-monetary contribution to the campaign. **Reimbursements to a treasurer/deputy treasurer must be made within the same reporting period that the contribution was made and may not exceed $500.**
Campaign contributions held by a candidate may be used only to pay for the expenses made/incurred by the candidate that reasonably relate to election campaign activities. Campaign contributions held by a candidate may not be: used to give a personal benefit to the candidate or another person, converted to personal income of the candidate, loaned to a person, knowingly used to pay more than the fair market value for goods or services purchased for the campaign, pay for civil penalties, or used to make contributions to another candidate or group.

**PAID FOR BY IDENTIFIERS**

Alaska Statute 15.13.090 and Regulation 2 AAC 50.306 require a paid for by identifier on all political communications. For candidate campaigns, print or video communications (i.e. newspaper ads, videos, Facebook pages, yard signs, etc.) must have the visible identifier:

"paid for by" followed by the name and address of the candidate

Audible communications (i.e. radio ads, videos with sound, robo calls, etc.) must have the audible identifier:

“This communication was paid for by (candidate’s name only)"

If the communication has both a print/video and audio component (i.e. commercials, YouTube videos, etc.) it must have both a visual and audible disclaimer. The paid for by identifier on all video communications must remain on screen throughout the entire communication. Fixing missing or incomplete paid for by disclaimers costs time and money for a campaign, and can result in civil penalties.

**CIVIL PENALTIES**

Civil penalties apply to candidates who violate campaign disclosure law. Violations include failure to file a campaign disclosure report on time or failure to file a complete and accurate campaign disclosure report. Even if you are filing a report indicating that you have had no activity in that report period, you will be assessed a civil penalty if the report is late. It is YOUR responsibility, as the filer, to familiarize yourself (and your campaign workers) with the campaign disclosure law requirements and reporting deadlines. Penalties for late-filed and incomplete campaign disclosure reports range from $50 to $500 a day depending on the report.

Review the APOC website for further reporting requirements. This information is only meant to provide you with an initial overview of your requirements as you begin your campaign. Do not hesitate to call APOC staff if you have questions. Thank you!
