Village Concerns/Audience Participation

An individual who wishes to voice out their concern or participate during Assembly meetings must go to the teleconference center in their community.

Rules when voicing concerns:

- State your name for the record and from which community you are participating.
- You are limited to 3 minutes unless an exception is granted.
- Be respectful.
- No obscene or vulgar language.
- No threats.
- No language that may injure the character or reputation of another person.
- No language that may incite violence.
- No fraudulent comments.
