KAKTOVIK GYM CONSTRUCTION SITE

The North Slope Borough Public Works Department has been informed of an incident at the new Kaktovik gym construction site involving sparking from the site's transformer. Our Public Works team is on-site and actively working to secure the area to ensure the safety of all involved.

At this time, we want to reassure residents that no homes are affected by the situation. An electrical lineman is already enroute to make necessary repairs to the community's transformer.

We appreciate your patience and understanding as we work quickly and efficiently to resolve this issue. Should the situation change or require further action, additional updates will be provided.

The North Slope Borough remains committed to the safety and well-being of all residents. Thank you for your cooperation and support during this time.
