

North Slope Borough Planning & Community Services

Commercial Recreation Permits (CRP)

Required for all Transporters and Sport Hunters above the Arctic Circle

Who needs a permit?

Title 19 of the North Slope Borough Municipal Code (NSBMC) requires Commercial Recreation operators to obtain a Land Use Permit for Development and Uses, such as:

- Hiking
- Hunting
- Camping
- Boating or overland water and travel
- Sightseeing
- Hotels and lodges
- Flying services
- Tour operators
- The activities of guides/outfitters; and
- Retail stores and food services along the Dalton Highway

If you have any questions or need assistance, please contact the Land Management Regulations Division at 907-852-0320.

How to use Flight Radar 24

FLIGHT RADAR 24

Did you know that you can view tail numbers of planes in and around your area, or any area you want?

Download Flight Radar24 on your mobile device

If you are searching for a plane, you can click on the top search bar: you will have the option to search by route, by airline, by country or just flights nearby

You can playback any date or time to see who or what airlines was in your area during that requested input. If you see a plane on the radar and want to know information on the flight; click on the plane

Information provided on app:

Flight number: SVX43

Airline Name: Security Aviation

Route: BRW to PIZ

Reg: Tail Number N318AK

Airline Name: Cessna 441 Conquest

If you see a plane flying too low, harassing animals, or concerns about the flight;

What to Report?

- Business names with contact info, including phone number to NSB Planning & Community Services
- Unidentified aircrafts that you suspect aren't transporters or sport hunters
- Tail number of aircraft (if possible) and date

Contact Lead Field Inspector,
Ralph "Ahmakak" Kaleak, Sr.
Work Cell: 907-302-8701
Main line: 907-852-0320

Commercial Recreation Permit (CRP) Listing
